

GAGAKU

ya
demons ...
can't tell what they're doing &
don't
wish to eye them
closer

scrubbing a floor
washerwoman
demon

now mopping up
standing &
mopping

they'll tell me when they're
done
she nods at
me

now she screams at me
lots of gesture with face — all
shriek

now she
doesn't do much save wiggle
bent over
crumpled &
wiggling

now she rises
levitates
her soles
7 inches off
drying
pine

GAGAKU

this is no time to stop
demons are moving in my un
or/and
sub conscious
and they want out
I just know they want out in
art
this art my
